Swim caps are optional. Girls with long hair are asked to have hair pulled back and in an elastic band while swimming. This keeps them from constantly wiping their face. If your daughter has really long hair a silicone cap is best. It does not pull on the hair when you remove the cap. Caps are great for all ages, boys or girls. They reduce drag in the water and drag slows a swimmer down. You will want to purchase an extra cap just in case one tears. Silicone will last longer than latex. DO NOT CHEW ON CAPS OR GOGGLE STRAPS! Caps are white with CHESTER printed in black.
